

# Statement of Inclusivity

Here at Ebbsfleet Baptist Church we are committed to building an inclusive, affirming church community which seeks to serve everyone in the name of Jesus Christ and share his good news with all, as guided by the Holy Spirit and God's word.

We seek to welcome and involve everyone, regardless of age, race, sex, language, ability/disability, social standing, sexual orientation and gender identity, including LGBTQ+ individual and couples. This includes those who may struggle with our commitment to offering full participation to all and calls each of us to graciously live together in the community of Christ despite our differences.

Everyone is welcome to attend, serve and lead in all parts of church life, according to their giftings and profession of faith in Jesus.
